1	Welcome from VP Voice	18:30	LV
2	Welcome to University Panel, NSS reminder	18:35	AB
3	Speech of appreciation to Course Reps	18:40	SJ
Theme 1: Teaching and Learning			
4	<i>This year, students have reported frustration around the decreasing availability of online and physical learning resources. <b>Does the University plan to increase the Library's budget to improve access to these essential resources?</b></i>	18:45	ER
5	<i>A range of concerns have been raised around the involvement of PGRs in teaching. PGRs are concerned about workload and fair pay, whilst UG and PGT students want to see improved teaching and feedback quality. <b>How will the University improve support for both learners and demonstrators to ensure effective and fair teaching and learning?</b></i>	18:50	AB, ER
6	<i>Student feedback across Faculties highlights a continued trend of assessment feedback being returned after the appropriate return window of 3 weeks. <b>What action can students take when this occurs, and what is the University doing to improve consistency of timely feedback?</b></i>	18:55	AB
7	Questions from the floor	19:10	All
Theme 2: Student Spaces			
8	<i>The University is currently developing its future campus plans. <b>What improvements are planned to the Students' Union building to ensure this vital student space does not fall even further behind the quality of the rest of campus?</b></i>	19:25	WD
9	<i>Bookable student spaces are an integral part of the social experience at Surrey, especially for the Union's 150+ Clubs &amp; Societies who are at the heart of student belonging at University. <b>With Wates House being replaced, how is the University ensuring students have access to suitable bookable social spaces?</b></i>	19:35	WD
10	<i>Students would like to see more communal spaces within accommodation blocks across campus to help them socialise and feel at home at Surrey. <b>Does the University plan to improve access to quality common rooms, and if so, what would be the timeline for these spaces to be available to students?</b></i>	19:30	WD
11	Questions from the floor	19:40	All
Closing			
12	Closing remarks from the VP Voice	19:55	LV
