

Sustainability

- Encourage students to behave more environmentally, using water bottles instead of buying water in simply fresh.

Encourage students to look at environmental credentials of potential employment.

Democracy

- Encourage students to register to vote
- Make Students aware of voter id changes and other supported if needed
- Once a semester, the SU will invite councillors for Guildford Council. To other the students a chance to vent their voices.

Accessibility

- Improve Accessibility on campus and put more pressure on the university
- Make clear the student union is there for neurodivergent students
- Try to hold an event for UN International Day of Disabled Persons – December 3rd
