Improving Student Life and Experience

- Monitor progress of Cost of Living Task Force to ensure manifesto actions are reflective of student needs
- Encouraging participation in the Student Equality Network to make sure the Union provides adequate representation
- Develop the "Influence Your Union" page to maximise opportunities for students to have their say

Representation of Academic Interests

- Implement Course Rep Socials & conferences to enhance training and strengthen skills
- Utilising Pulse Survey statistics to focus on interests of demographic groups with lowest levels of satisfaction
- Facilitate the relationship of Departmental Societies with both the Union and the University

Student Democracy

- Streamline self-run AGMs & EGMs to make it a more readily available option for Clubs & Societies
- Re-brand Priority Campaigns to encourage student participation and increase response rate
- Increase student engagement for Surrey Decides to maximise voter turnout and promote Sabbatical visibility
