## FOR VP SUPPORT

@liam.white00

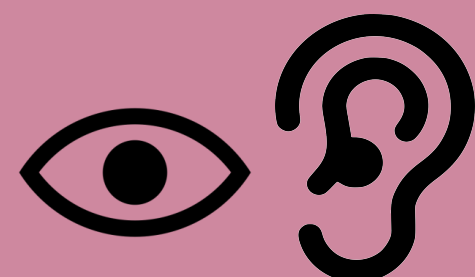

@lw00964

### Affordable living

- Develop services like the Guarantor Scheme to be fit-for-purpose for international and February-intake students
- Review financial support at the point of admission, campaigning for expanded bursaries and communication of hidden costs

### Inclusivity & Accessibility

- Design inclusive resources for international students and postgraduates, collating information about each of the support services into one place
- Collaborate with local communities to improve Surrey's accessibility, and to hold the university accountable

### Empowering Students

- Develop a specialised, Surrey-specific Consent Course
- Work closely with student societies and services, using their shared experience to tackle support engagement
- Destigmatise and promote services like Report & Support and Sexual Health/ Violence support through targeted and visible events
