Surrey Decides Bye-Election

**Nominations: Monday 23 –
Friday 26 October**

Get stuck into student life at the Union this year as a Support Zone Part-Time Officer or Societies Chair!

Due to three vacancies in our officer teams, the Union is holding a bye-election in Semester one which gives you the opportunity to lead the Union alongside other part-time and full-time officers on all issues relating to both student support and societies.

You'll get the chance to help shape Union decisions and organise events, campaigns, and projects throughout the year to improve the lives of students at Surrey.

If you would be perfect for this role, nominate yourself as a candidate!

You will be able to nominate yourself from **Monday 23 – Friday 26 October**.

If you're running for election or want to vote on who represents you, tune into *Question Time* where you can hear from the candidates about what they want to achieve as an officer.
